HUL Partners Brookfield to Set Up a Solar Park

MUMBAI The company also announced a strategic partnership with Brookfield to set up a solar energy park with 45 MW capacity in Rajasthan, to help in its journey towards net zero. The project will be developed at the site of Brookfield's solar park, being undertaken as a part of Brookfield Global Transition Fund.

HUL's board approved an equity investment of up to 27.73% (and up to 32.24% including HUL's wholly-owned subsidiaries), in Transition Sustainable Energy Services One Private Limited, a Special Purpose Vehicle (SPV) incorporated by Brookfield, a leading global alternative asset manager with one of the world's largest renewable power platforms.
