

## Hindustan Unilever Limited

### SUMMARY OF CSR PROJECTS APPROVED BY THE BOARD

| S. no. (1) | HUL initiative (2)          | Details (3)  |
|------------|-----------------------------|--|
| 1          | Water Conservation Projects | Company through the Foundation (HUF) will continue to partner on mutli-year programmes with reputed NGOs in the country to scale up solutions that can help address India's water challenges - specifically for rural communities that intersect with agriculture.   |
| 2          | Swachh Aadat Swachh Bharat  | <p>The project is in line with Government of India's Swachh Bharat Abhiyan to promote good health and hygiene practices and aims to achieve the Swachh Bharat goals. The goal is to popularise the adoption of 3 clean habits: (i)wash hands before meals and after defecation, (ii)adopt safe drinking water practices and (iii)stop open defecation. Continue to build partnerships to identify, advocate, create awareness of existing solutions and to create new ones in the areas of Waste Management and Sanitation.</p> <p>The Community Hygiene Centre - 'Suvidha' is another important project by the Company that contributes to SASB. 'Suvidha' is a first-of-its-kind urban water, hygiene and sanitation community centre. We will continue to create more Suvidha Centers in partnership to give people access to clean water, sanitation and laundry facilities.</p> |
| 3          | Prabhat                     | HUL aims to build "sustainable and inclusive communities" by contributing to a fairer, more socially and environmentally inclusive world, while using its scale for good through its community development initiative called "Prabhat". This is done through focused pillars of economic empowerment (skills, livelihood and entrepreneurship), environmental sustainability (water, waste and carbon neutrality), health (WASH & nutrition) and education (basic infrastructure) across HUL factory locations in India. Our projects around the manufacturing units for Nutrition products are primarily focussed on addressing nutrition related challenges for women and children.  |
| 4          | Plastic Waste Management    | Committed to make 100% of its plastic packaging reusable, recyclable or compostable by 2025. Further, 25% of all the plastic we use is expected to come from recycled sources by 2025. Unilever has committed to halve the use of virgin   |

| S. no. (1) | HUL initiative (2)             | Details (3)   |
|------------|--------------------------------|---|
|            |                                | <p>plastic, by reducing their absolute use of plastic packaging by more than 1,00,000 tonnes and accelerate the use of recycled plastic. Unilever will also help collect and process more plastic packaging than it sells.</p> <p>Your Company is also working closely with the Government and other partners such as United Nations Development Programme (UNDP) for end-to-end pilot projects for plastic waste management.</p> <p>To, advocate and create awareness in the area of waste management, your Company has partnered with Xynteo India Private Limited. Your Company has developed a curriculum 'Waste No More' to create awareness and drive behaviour change on waste segregation and recycling among school children and people in housing societies.</p>  |
| 5          | Project Shakti                 | <p>Project Shakti is an initiative to financially empower rural women and create livelihood opportunities for them. Through this project, the Company endeavours to enhance livelihoods of rural women. Around 70% of Shakti Ammas are working in low Human Development Index (HDI &lt; 0.51) districts.</p> <p>We contact and appoint rural women as Shakti Entrepreneurs (SE), commonly referred as 'Shakti Ammas'. SE is educated and trained by the rural promoter about the Company products and their utility in day to day life in maintaining health and hygiene. After being trained about the products, she receives stocks from our rural distributor at a discount below the price at which the products are sold in the normal course. The Shakti Entrepreneur then sells these goods both directly to consumers (through home to home selling) and to retailers in the village. The Company has trained more than 1 lakh of Shakti Ammas and continues to train them across the villages in a bid to develop an entrepreneurial mindset and make them financially independent and more empowered.</p> |
| 6          | Happy Homes: Asha Daan & Ankur | <p>Asha Daan: The initiative began in 1976, when HUL supported Mother Teresa and the Missionaries of Charity to set up Asha Daan, a home in Mumbai for abandoned, challenged children, the HIV-positive and the destitute. Since the inception of Asha Daan in 1976, HUL has been looking after the maintenance of the premises. At any point of time, HUL takes care of over 400 infants, destitute men and women and HIV-positive patients at Asha Daan.</p> <p>Ankur: Ankur is a centre for special education for specially abled children at the Doom Dooma in Assam. It was set up in 1993 by HUL's Plantations Division at Doom Dooma. Ankur provides educational, vocational and recreational activities to specially-abled children.</p>  |

| S. no. (1) | HUL initiative (2)   | Details (3)   |
|------------|--|---|
|            |  | To support missionaries of charity to run Asha Daan on an ongoing basis. Initiate the re-development project of Asha Daan after obtaining statutory approvals for construction. Continue to provide educational, vocational and recreational activities to specially-abled children for the Ankur centre.   |
| 7          | Sanjeevani   | HUL runs a free mobile medical service camp -- Sanjeevani -- near its Doom Dooma Factory in Assam. The aim is to provide free mobile medical facility in the interior villages of Assam. There are two mobile vans dedicated to the project, each vehicle has one male and one female doctor, two nurses, a medical attendant (helper) and a driver. The vans are equipped with basic kits such as diagnostic kit, blood pressure measuring unit, medicines and a mobile stretcher. |
| 8          | Promoting Nutrition and Hygiene  | <p>Community centric initiatives focusing on importance of nutrition, health &amp; hygiene. We supported COVID-19 relief response, distribution of meals and ration kits to COVID-19 effected people, addressing nutrition needs of migrant communities and initiatives around Company's manufacturing facilities.</p> <p>To generate awareness and behaviour change on diet diversity to address the issues of malnutrition and micronutrient deficiency.</p>                      |
| 9          | COVID-19 Relief Work   | <p>Company was one of the first corporates to commit INR 100 crores towards societal work to complement Government's work on dealing with COVID-19.</p> <p>As a responsible Company, we amplified our efforts to ensure that we tackle this global health crisis. The Company continues to make efforts and stands united with the Nation.</p>  |
| 10         | Promoting Education  | Supporting Technology business incubators which are approved by Department of Science and Technology (TBI). Company will continue to explore opportunities in this field as possible  |
| 11         | Disaster Management including relief, rehabilitation and reconstruction activities | <p>Extending relief measures during times of natural disasters, anywhere in the country;</p> <p>Undertaking and supporting rehabilitation measures post-disasters.</p>  |

| S. no. (1) | HUL initiative (2)   | Details (3)  |
|------------|----------------------|--|
| 12         | Sustainable Sourcing | Supporting maintenance, development of road central medians and protection of flora and fauna of the public area outside the Company's Head Office premises. |
