

HUL donates over 74,000 Covid-19 testing kits

HINDUSTAN UNILEVER (HUL) has donated over 74,000 RT-PCR Covid-19 testing kits worth ₹13 crore to help ramp up testing of patients in the country. The government of Maharashtra has received about 28,800 RT-PCR testing kits to help in the early detection of Covid-19. Others who received the RT-PCR kits include Indian Council of Medical Research, Metropolis Labs and Apollo Hospitals.
